

Guide to Online booking WWW.CABINN.COM

Dear Customer & Guest

When you have a corporate deal with CABINN you benefit from all CABINNs across Denmark.

To book your room with your very special and discounted rate all you have to do is use your unique code. You can find your code on your contract.

It is easy to book online. Just enter your arrival and departure date and then enter your code and choose hotel CABINN Metro. After the specific hotel has been chosen, you can see your discounted rates. Choose the available room category and enter number in "rooms" and then in "adults" to proceed.

Breakfast is automatically added – if your rate is not already including breakfast, you have to un-tick the box to remove breakfast.

Click "book" and then "next" to proceed.

Click on "Kode?", and enter your code WIN2017

If you have any questions please do not hesitate to ask. Please send an e-mail to Joko@cabinn.com
