

JOIN AS A COUNTRY PARTNER

You will be part of an innovative network of students from around the world. You will choose the team which will represent your organization and country among 50 of the best teams in the world! A country partner can be an organization working with student entrepreneurs and universities, or it can be a representative for one or more universities.

AS A COUNTRY PARTNER, YOU WILL:

- Get great promotion! In 2015, we reached more than 200 million readers worldwide
- Be invited to participate in world cup week in Copenhagen
- Have the opportunity of networking with like-minded entrepreneurial business people
- Benchmark your teams against teams from all over the world

REQUIREMENTS

- Host one national startup competition for university students OR choose a team from your program.
- Submit one team and have one back-up team.
- Guarantee your teams only have to cover their expenses while in Copenhagen. Other expenses such as travel expenses etc. have to be covered by the country partner.
- Agree to promote USWC with logo at the national competition, in newsletters, website and on social media.
- Confirm the selected team's participation in the 5-day program no later than September 1. Make sure that your team submits a business plan in English

*All the teams need to be confirmed by Venture Cup
